COX COLLEGE

BSDI Specialty Credentialing Primary Pathway
Job Shadowing Form

Primary pathway applicants (DMS, NUC, MRI) must provide documentation of the required 16 job shadowing hours in the department of the specialty for which the applicant is applying. Applicants completing job shadowing hours for the Diagnostic Medical Sonography (DMS) program should complete them in a department with the concentrations of Abdomen, OB/GYN and Vascular. Hours completed observing Adult or Pediatric Echocardiography exams only will not be accepted.

Shadowing hours should be completed within one year of applying. This form should be turned in to admissions along with the other required application documents. **Documented shadowing hours without required signatures will not be accepted.** Please send this completed form to admssions@coxcollege.edu by **March 1st.**
